Beginner level	Tuesday	3:45-4:30pm
	Thursday	3:45-4:30pm
	Saturday	8:15-9:00am

The Red class is for players who have never had instruction. Kids will work on hand-eye coordination and simple footwork through fun drills and games. They will be introduced to the basic strokes of the game as our main goal would be to have players rally at least (4) consecutive times on a regular basis. To move to the next class level they will be ready to serve 5 consecutive overhand serves in the correct box and will be able to recognize when to swing for a ground stroke and when to hit the ball for a volley. They will be playing on a 36' court with a mini net and foam or red low compression balls.

Red Stars Clinic (Age 6-8)	Class times for RED STARS:	
Intermediate level	Tuesday	3:45-4:30pm
	Thursday	3:45-4:30pm
	Saturday	8:15-9:00am

Players who have already achieved the goals set in the Red Clinic and have already learned the basic strokes. Kids must be able to start a rally with the PRO and serve overhand serves. At this level, they will learn some basic strategies, placement of their strokes and volleys, and coordinated movement on a 36' court with the red low compression balls. Players in this group can join the 8 & under QSF division in USTA Junior Team Tennis Leagues as well as the Rising Stars tournament.

NOTE: 8 year old beginner players are required to begin at the RED level. They have to attend at least (5) Red Clinics before they can move to the Orange level by the approval of the teaching pro.
