

Around the World in 90 Minutes

McKelvey Center

212 E. Jefferson St., York, SC

Saturday, April 17, 2010; 7 p.m.

Ever heard of a porcupine caribou? Marty Essen has, and he'll share his experiences with them and other amazing animals from across the globe. This high-energy, award-winning digital slide show features interesting animal facts, myths, humorous stories and incredible images Essen took while traveling the world.
